IG Green responded that we are extending the time for accreditation due to the changes in the IG position. Taylor also asked about the overall number of complaints closed. IG Green explained that information regarding intakes and other data is included in the six-month update handout. In fiscal year 2019, as of March 31, 2019, the OIG received 46 complaints and closed 28 of those.

Bowman asked for any additional questions. There were none, so the Committee proceeded to complete the evaluation form. Bowman asked each member to state their name and read their total score:
