**Members Present:** Natalie Alden, Walter Johnson, Karen Prewitt, Barbara Brown, Jose Morales, Dan O'Connor

**Disabled Services Staff Present:** Kevin McDaniel, Lois Smokes, Kara Tucker, Clinton Hamilton

**In Attendance:** The Co-Chair called the meeting to order at 2:00 p.m.

Clinton Hamilton provided an update on the Disabled Parking Enforcement Program. DPEP participated in two town hall meetings and will participate in two Sheriff Watch meetings in April.

Jose Morales provided an update on the ILRC Housing Taskforce. The ILRC is working with the local housing authority to identify affordable housing.

The committee recommended an effort to reach out to City Council and other legislative bodies to identify ways in which the taskforce could advocate for more accessible housing.

The White Cane Art Contest was discussed and it was settled that participants would be notified as the Division worked with the ILRC.

Dan O'Connor stated that he would like to see an effort to extend Section 503 requirements for contractors to City vendors as the language already exists.

The committee expressed interest in developing face-to-face disability etiquette training for first responders and medical professionals. The committee asked Clinton Hamilton to reach out to the Sheriff's Watch to see if that type of training could be incorporated into their training. The committee stated that they would like to see the training shared with other organizations as well, such as JTA.

Karen Prewitt shared training resources with Kevin McDaniel to be shared with the council.

Meeting adjourned at 2:50 p.m.
