

AFFIDAVIT FOR WAIVER RESIDENTIAL SOLID WASTE FEE ASSESSMENT

RETURN FORM TO:
Solid Waste Division • 1031 Superior Street • Jacksonville, FL 32254 • Phone: (904) 255-7500 • Fax: (904) 255-7600

This form is for property owners to request a waiver of one or more residential solid waste fees being assessed to a property. Solid waste is defined as household garbage, recycling, yard waste, and items such as tires, appliances and furniture. Billing information is obtained by interpreting property details maintained by the Duval County Property Appraiser's Office. A property is considered eligible for charge if the property record shows a structure's 'building use' is or includes a residence, including but not limited to a single family home, mobile home or apartment. The charge is applicable regardless of the structure's inhabitability or current occupancy.

Waivers will not be granted for properties with only one billable residential unit unless it is determined that: the structure being charged is not a residence; the property is receiving solid waste collection by a privately contracted hauler; the property cannot physically be accessed by the city for solid waste collection; or the Solid Waste Division otherwise determines an assessment is not appropriate. Waivers are granted at the sole discretion of the Solid Waste Division.

If you believe a structure is incorrectly classified on the property record, please contact the Property Appraiser's Office at (904) 630-2020. If the PAO declines to reclassify the structure, you may contact the Solid Waste Division at (904) 255-7500 for an inspection following submittal of this affidavit.
